

JABRA EXTREME - FOR PC

Bluetooth® headset and USB adapter

Works with any Bluetooth® enabled phone

DATASHEET

BRINGING **WIRELESS FREEDOM** TO Skype™ CALLS

One great sounding solution for internet and phone calls

With the Skype Certified, Jabra EXTREME, you can now enjoy all the benefits of wireless communication when you make and take internet-based calls. No installation is needed, it's just plug'n play. Simply insert the USB adapter into your PC or laptop and it will automatically make a connection with the EXTREME Bluetooth® headset. This stylish headset has Noise Blackout™ and dual-mic technology that reduce background noise, and DSP for crystal clear sound. Your Skype conversations will sound great wherever you have them.

Even when you are connected to your computer, the Jabra EXTREME can maintain a connection with your mobile phone. So when you need to, you can switch seamlessly between the two. And whichever medium you talk through you, will feel comfortable doing so. Light and compact, the Jabra EXTREME is always a pleasure to wear. Now you're free to talk to the world without being tied to your computer.

Reasons to choose the Jabra EXTREME - FOR PC

- Eliminates noise with dual mic technology
- Plug'n play - No installation
- Manage PC & mobile calls simultaneously

Quick Start Guide

Charging your headset

Charge your Jabra EXTREME headset until the LED light turns green. After 5 minutes the LED will turn off. Charging time is approximately 2 hours.

Turning your headset on and off

Slide on/off button to turn the headset on or off. The LED light will turn green when the headset is on.

Using your headset with Skype™

Insert the USB Adapter in a free USB port on your PC. When Windows has installed the USB adapter turn on your headset and it will connect automatically to the USB adapter.

Go to www.skype.com/download and download the latest version of Skype. When Skype is installed and started create a new Skype Name or log in on your existing account. Click 'OK' to use the Jabra LINK320 with Skype. Test your audio. Make your first Skype call.

Pairing the headset with your phone

Turn your headset on, press and hold the answer/end button until the Light indicator (LED) turns solid blue. Activate Bluetooth on the phone and set your phone to search for Bluetooth devices and select Jabra EXTREME. Press 'Yes' or 'OK' on the phone and if asked for a PIN code confirm with PIN code 0000 (4 zeros).

Using your headset

Answer a call – Tap the answer/end button on your headset

End a call – Tap the answer/end button to end an active call.

Wearing style

Wear the Jabra EXTREME headset with or without an ear hook. To wear with an ear hook please find the appropriate size and attach for right or left ear wearing.

To wear without ear hook please find the appropriately sized Ultimate-fit Eargel™ and attach for right or left ear wearing.
